

D3O® TRUST CIRRUS™ HELMET PAD SYSTEM

D3O® TRUST CIRRUS™ HELMET PAD SYSTEM

TRUST Cirrus™ is the new helmet pad system from D3O designed for world-leading protection and all-day wear. The system combines critical impact performance at 10 feet per second with the unrivalled comfort characteristic of D3O.

TRUST Cirrus™ exceeds the required level of protection of the Advanced Combat Helmet standard (AR/PD 10-02) in both Polyethylene and Aramid shells by 45% on average and maintains consistent performance on second impact.

Each helmet pad in this system features a unique geometry that allows the pad to fit the shape of the head and offers superior deceleration under blunt impact tests versus market leading competitors.

TRUST Cirrus™ can be integrated as a 7-pad system within both military and law enforcement helmets.

PRODUCT FEATURES:

- Patent-pending D3O® technology
- Comfortable, high-performing helmet pad system
- Integrated Comfort Liner for each pad
- Performance stability across multiple impacts
- Available as a 7-pad system, with a thin crown for optimal fit and comfort
- Head-side fabrics offer great moisture-wicking properties
- Meets SPS hook and loop adhesion requirements, providing strong adhesion into the helmet shell and easy removal when required
