

GT-A19-100W16P-BW

The 16-pack of LED A19 light bulbs are great for general use in any location! Each bulb is a 15-watt replacement for a 100-watt incandescent bulb, with 1500 lumens of Bright white. Use less energy and save money. The 3500K light is a well-balanced color hovering between warm and cool. Great for living rooms, bathrooms, closets, kitchens, utility rooms and more!
