

10,000 LUMEN LED ADJUSTABLE 3-PANEL BULB

GT-BU-G100A

Great for garages, warehouses, utility rooms and more, this adjustable 3-panel LED bulb screws easily into a medium base E26 light socket. Fold the panels flat for focused down-lighting or tilt them up for specific light placement and area lighting. Light coverage of approximately 40'x40' when installed at 10ft height with panels tilted at 45°*.

**This is an estimate. Multiple factors affect light coverage.*
