

3,000 LUMEN LED ADJUSTABLE 2-PANEL BULB

GT-BU-G30

Great for garages, basements, utility rooms and more, this adjustable 2-panel LED bulb screws easily into a medium base E26 light socket. Fold the panels flat for down-lighting or tilt them up 90° AND rotate them 180° for specific light placement. Light coverage of approximately 15'x15' when installed at 10ft height with panels tilted at 45°*.

**This is an estimate. Multiple factors affect light coverage.*

SPECS:

Brightness	3000 Lumen
