

## GT-CB-100C

This LED bulb is reaching new heights as an extremely efficient, 100-watt replacement for a 500-watt incandescent bulb. The omnidirectional daylight light output will make you say WOW! Easily update your warehouse, barn, 3-car garage, large workshop, or space with high ceiling. Take advantage of the long product lifespan and low energy use to help save you trips up the ladder and money on your energy bill!
