

## GT-CB-25C

This LED light bulb is a quick and simple 25-watt replacement for a 150-watt incandescent bulb, helping save you money on your energy bill and brighten your space with crisp daylight light. The corn cob shape emits omnidirectional light coverage, perfect for a 1-car garage, utility room, or basement. You'll be amazed at the visual difference and the long lifespan of this high-lumen bulb.
