

GT-CB-26CCTP

This LED light bulb is part of the new GT-Lite **Lumen Tough** pro series. It is a quick and simple 18-watt replacement for a 150-watt incandescent bulb. The corn cob shape ensures omnidirectional light coverage perfect for a 1-car garage, utility room, or basement. Quickly change between 3 wattage (brightness) settings and 3 CCT (light color) settings to find your perfect light!
