

GT-Lite

GT-CB-50C

This LED light bulb is a quick and simple 50-watt replacement for a 300-watt incandescent bulb, helping save you money on your energy bill and illuminate your space with crisp daylight light. The corn cob shape ensures omnidirectional light coverage perfect for a 2-car garage, workshop, or storage area. You'll be amazed at the visual difference and the long lifespan of this high-lumen bulb.
