

AM SPORTS

CUSTOM TEAMWEAR

Welcome to AM Sports. We are a multi sports design and manufacturing company producing made to order performance teamwear .

At our factory facility, innovation meets craftsmanship to bring your sportswear visions to life. Equipped with cutting-edge technology and operated by a highly skilled team, our custom-built factory is designed to cater to every aspect of sportswear manufacturing.

From design concepts to the final product delivery, we prioritise precision and excellence in every step of the production process. We utilise premium-grade fabrics sourced ethically and sustainably to ensure the highest standards for our sportswear ranges.

What sets us apart is our dedication to customer service, design customisation and modern garment ranges. We offer tailored solutions for all sports, allowing you to personalise every detail – from fabrics and colours to unique designs and branding elements.

Our flexibility in manufacturing enables us to accommodate low minimums with sizes from youths to mens and ladies fits along with a choice of performance fabrics, providing clubs with the freedom to create their own signature collections.

Join us on your journey of limitless possibilities, where your vision becomes reality, one stitch at a time.

The following pages welcome you to our **EVO range** – a collection of garment designs that is focused on performance and style tailored to elevate your club.

Engineered with innovation at it's core, our range combines modern designs and fits with full personalisation available using the latest dye sublimation techniques producing vibrant coloured designs in your club colours.

Each garment is crafted using moisture-wicking fabrics, ensuring comfort and dryness during every match, game or training session.

Versatility meets functionality in our full range of performance sportswear. Our bespoke range reflects your team's identity with customizable designs, vibrant colours, and personalized touches. Whether it's incorporating your team logo or individual player names and numbers, our kit embodies unity and individuality.

Delivery on all bespoke ranges is only 4-5 weeks from artwork approval.

The designs shown are from our catalogue of many available to give you an idea what we can do. All designs are transferable to all garment types and styles.

We also offer a fully sublimated Evo Range to match the colours of the club kit.

Work with us to discover the endless possibilities on offer to your club.

How To Order

We try to make the process of ordering as simple as we can.

We understand that being the person responsible for ordering can be challenging so we are here to help in every way we can.

Hopefully our range and designs give you some inspiration that we can delivery an amazing looking kit for your club.

Just drop us an email of give us a call and we can guide you through the process and make it as easy as we can for you.

STEP 1

Email us your logo and details of what items you require along with any other personalisation required as well as you preferred club colours.

STEP 2

We will produce a design presentation for you based on the information received for you to approve along with a quote.

STEP 3

Once you are happy with the designs and quote send us a list of sizes required per item along with any additional personalisation required.

STEP 4

We will then send you an order confirmation document detailing everything for you to approve.

STEP 5

Once approved your order will be placed in our production schedule and an invoice provided for payment.

STEP 6

When you order arrives with us (4 weeks) and full payment has been received your order will be despatched to you using our next day courier service.

If you have any queries or special requests we are here to help in anyway we can.
