Section 1: Identification of the substance/mixture and of the company/undertaking
1.1 Product Identifier
   Product form: Filament
   Trade name: Composite Iron Fiber PLA
   Product code: FEP1xxx

1.2 Relevant identified uses of the substance or mixture and uses advised against
   For use in 3D printers at recommended temperatures

1.3 Details of the supplier of the safety data sheet
   Proto Plant
   12001 NE 60th Way, B-2
   Vancouver, WA 98682
   www.proto-pasta.com

   Emergency telephone number: 503-877-5268

Section 2: Hazards identification
2.1 Classification of the substance or mixture
   No classified

2.2 Label elements
   No labeling applicable

2.3 Other hazards
   No additional information applicable

2.4 Unknown acute toxicity (GHS US)
   Not applicable

Section 3: Composition/Information on ingredients
3.1 Substances/Mixtures

Section 4: First-aid measures
4.1 Description of first-aid measures
   First-aid measures after
   Inhalation: Most to fresh air. If irritation persists, seek medical attention.
   Skin contact: Wash with soap and water. For thermal burns, immediately flush with cold water. Do not attempt to remove polymer from skin. Obtain medical attention.
   Eye contact: First aid not likely required. Flush with water. Consult physician if symptoms persist.
   Ingestion: Obtain immediate medical attention. For poisoning emergency in the US, call 1-800-222-1222
Section 5: Firefighting measures

5.1 Extinguishing media
- Suitable extinguishing data: Water spray, dry powder, foam
- Unsuitable extinguishing data: None known

5.2 Special hazards arising from the substance or mixture
- Burning produces obnoxious and toxic fumes

5.3 Advice for firefighters
- As in any fire, wear self-contained breathing apparatus and full protective gear

Section 6: Accidental release measures

6.1 Personal precautions, protective equipment, and emergency procedures
6.1.1 For non-emergency personnel
- Sweep up to prevent slipping hazard
6.1.2 For emergency responders
- Wear protective gear

6.2 Environmental precautions
- Do not flush into surface water or sanitary sewer system. Do not allow material to contaminate ground water systems.

6.3 Methods and material for containment and cleaning up
- Clean up promptly with scoop or vacuum. Sweep up and shovel into suitable containers for disposal.

6.4 Reference to other sections
- No additional information available

Section 7: Handling and Storage

7.1 Precautions for safe handling
- Precautions for safe handling: Ensure good ventilation of the work station. Wear personal protective equipment.
- Hygiene measures: Do not eat, drink, or smoke when using this product. Always wash hands after handling the product.

7.2 Conditions for safe storage, including any incompatibles
- Store in a well-ventilated place. Keep cool.

7.3 Specific end use(s)
- No additional information available
Section 8: Exposure controls/personal protection

8.1 Control parameters
Where reasonably practicable, use local exhaust ventilation and good general extraction. Provide appropriate exhaust ventilation in places where dust is formed.

8.2 Exposure controls
- Appropriate engineering controls
- Hand protection
- Eye protection
- Skin and body protection
- Respiratory protection
- Environmental exposure controls

Section 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties

<table>

9.2 Other information
Section 10: Stability and reactivity

10.1 Reactivity
Stable when stored as recommended

10.2 Chemical Stability
Stable when stored/used as recommended

10.3 Possibility of hazardous reactions
None known

10.4 Conditions to avoid
Temperatures above 230°C

10.5 Incompatible materials
Oxidizing agents, strong acids, strong bases.

10.6 Hazardous decomposition products
Burning produces obnoxious and toxic fumes. Aldehydes, carbon monoxide, carbon dioxide

Section 11: Toxicological information

11.1 Information on toxicological effects

<table>
<thead>
<tr>
<th>Condition</th>
<th>Effect</th>

</tbody>
</table>

Section 12: Ecological information

12.1 Toxicity
Not determined

12.2 Persistence and degradability
Not determined

12.3 Bioaccumulative potential
Not determined

12.4 Mobility in soil
Not determined

12.5 Results of PBT and vPvB assessment
Not applicable

12.6 Other adverse effects
No other information available
Section 13: Disposal considerations

13.1 Waste treatment methods
In accordance with local and national regulations. Do not contaminate ponds, waterways, or ditches with chemical or used container. For recycling, contact local waste disposal centers.

Section 14: Transport information
Not regulated under the US Department of Transportation

Section 15: Regulatory information

15.1 US Federal regulations
SARA 313: None
IARC: None

15.2 International regulations
Components are in compliance and/or are listed

15.3 US State regulations
Prop 65: None
Right to Know Hazardous Substance List-New Jersey: None

Section 16: Other information
