

Soundscape Panel Counting Guide

Work out the exact number of Soundscape panels for your wall by doing the following:

1. Sketch out your wall on the matrix below as shown in the example on the right:
2. Count the number of squares (**they correspond to 1 square panel**).
3. For rectangular panels, **count 2 squares as one**. They are exactly 2x as long.
4. Panel offcuts can be reused on the edges.

If you are confident with your count, **complete your purchase**, adding the n.o. panels to cart: [Shop Now](#)
