We're a drinks company with our own harbourside bar & kitchen in Cornwall

Our secret ingredient is the one flavour that's never been captured. The energy of St. Ives. Our home town. It's calm and chaos. Vibrant summers and bone cold winters, a still harbour and a wild Atlantic, all-night parties and peaceful walks, it's all here. A creative town full of contrasts and contradictions – just like us. Made in homage to a town with two sides.

Liqueurs

50cl / £23.00

Limoncello

Made from life's lemons

We squeezed new life from an Amalfi classic. Naturally cloudy, no artificial anything. Leave in the freezer and bring out when the sun sets.

Rhubarb Shrub

Making its comeback

Some old-fashioned drinks belong in the past. Not this one. Versatile and confident. Recreated for today with a toned down twang and plenty of intrigue.

Plum & Bourbon

Spirit without fire

A hybrid bourbon liqueur. We tamed the fiery kick with a mellow pairing of spicy plum shrub and sweet thyme syrup. Pour straight up from the freezer or mix with Lambrusco for something longer.

Gins

50cl / £25.00

Original Gin

Never goes out of style

A masterpiece that holds the show together. Simple and understated. Goes with tonics. Add a slice of grapefruit and a pinch of basil - then get back to having fun.

Orange Gin

Sweet Citrus in Full Bloom

Our fragrant orange elixir. Delicate and reviving. Inspired by herbaceous spring gardens. Completed with the delicate flavour of safflower petal and the tartness of hibiscus.

Berry Gin

Wild like the hedgerows

A perennial favourite we metaphorically foraged together. Sweet ripeness of soft red berries. A crowd pleaser. Made memorable with a hint of kaffir lime leaves and rosehip for poetic depth.
