LIBRO DE FABELOJ
Cloud-soft tropical IPA

The next chapter in our Esperanto fever dream IPA series! Inspired by childhood dreams and nightmares, Libro De Fabeloj (Book Of Fables) continues the story we began with La Zorgo Tigro.

This dreamy soft IPA is generously hopped with Citra and Idaho 7, with Azacca and Mosaic on dry hop duty.

Vibrant flavours of mango fizz, passionfruit curd, piney terpenes, pineapple upside-down cake, blueberry jam and juice-laden citrus fruit create a tropical cloud-like experience for your taste buds!
