ORO
Pin-Brite Ultra Pale Cask Ale

Our brand new ultra pale ale is one of our most pintable gluten free beers yet! An easy-going cask beer, bright and full of life, and one that commands repeat drinking.

A simple, lean body with a base of First Gold hops is accentuated with a light dry hop of Simcoe and Citra for big lemon and fresh cut grass vibes.

For Huddersfield Giants enthusiasts there is a special version of ORO - just mention when you order to make sure you get the Huddersfield Giants cask clip!
