

“DESIGNING A HOME SHOULD BE A FUN EXPERIENCE. WE TRY TO MAKE THE PROCESS SIMPLE AND ENJOYABLE.”

CARLA FONTS

DUNBAR ROAD DESIGN

Whenever Carla Fonts meets with a client about a design project, she immediately goes to work putting her colorful ideas to paper. “When we get a new project, we put our heart and soul into it,” she says. “We want it to be beautiful, of course, but also comfortable—where you could throw a party the next day.”

You’ll find Fonts’ Cuban roots and coastal influences in most of her projects. She gets inspiration from her travels, continuously considering how to incorporate what she sees and learns into her work. Clients appreciate her organization, resourcefulness, likability, and communication skills. She and her team have an unmatched energy and passion for their craft, always pushing boundaries and thinking beyond the norm to provide clients with a one-of-a-kind result.

Says Fonts, “Designing a home should be a fun experience for clients. We try to make the process seem as simple and enjoyable as it could possibly be.”
