#### TESTIMONIAL

*"Kookaburra's Kanteen, catered for our feature film production, we enjoyed a hot breakfast and lunch, over 4 weeks, with PAX of up to 70 crew/cast a day.*

*Kookaburra's Kanteen designed a bespoke menu specifically for our needs, catering for various special dietary requirements (vegan, vegetarian, gluten free) we had across our crew/cast and needed each day.*

*Kookaburra's were extremely flexible and were able to work with the unique idiosyncrasies / requirements of our production. They completely understood and appreciated the importance of daily shoot scheduled meal break times, and were always able to accommodate our early AM breakfast call times.*

*The quality of the food was exceptional, and very reasonably priced.*

*The crew loved it! Highly recommend!"
