BEAD ORDERING NOTES

PLEASE REFER BELOW BEFORE ORDERING YOUR BEAD

Bead Identification

If you are unsure on your bead type the please refer to the website and click on the page called "**IDENTIFYING BEAD**" which will give you guide on how to correctly do this.

How they come

Your beads will be delivered "**SQUARE CUT**" and NOT "**MITRED**". If you are unsure what this means then please refer to the website and click on the page called "**HOW THEY COME**" in the "**HELP CENTRE**" which will be able to explain this for you.

Beads Stocked

To find out all the beads that we hold in stock then please refer to the website and click on the page called "**BEADS WE STOCK**" in the "**HELP CENTRE**". This will show you all the beads we are able to supply. If your bead required is not listed here then we don't stock it.

Packaging & Delivery

To see how your beads will be packaged & delivered then please refer to the website and click on the page called "**PACKAGING & DELIVERY**" in the "**HELP CENTRE**" which will be able to explain this for you.
