Urban Cedar hot tubs come as standard with a pure white acrylic interior and solid cedar cabinet with matching steps.

We also offer a **MADE TO ORDER** service for your hot tub with a choice of interior colours and cabinet options. Lead-time for the **MADE TO ORDER** service is 12 weeks.

Our **CUSTOM** cabinet option allows you to choose from a wide selection of woods which our master carpenter will then design and build before the Urban Cedar team expertly fit it to your hot tub. Examples of woods used include Larch, Birch, Accoya & Fir. Prices start from £1000 for the **CUSTOM** cabinet option.

Please contact our friendly team on **01934 833 844** for more information on our **MADE TO ORDER** and **CUSTOM** cabinet service.
