

It's Time to Change your Gloves Forever.
GET A GRIP ON SAFETY

Designed by Linemen, for Linemen.

FIRE, WATER and CUT RESISTANT Work Glove

This insulated work glove is made of the finest materials available; designed to provide FR protection as well as durability & comfort in all weather conditions. This FWR/CUT RESISTANT WORK GLOVE provides superior dexterity ensuring heightened efficiency, productivity and safety. **Arc Rated. Flame Resistant. Water Resistant. Cut Resistant.**

Made of high-quality cowhide leather, the entire glove features a cut-resistant liner – [ANSI/ISEA 105-2016 Classification Level A4 (ASTM F 2992-15) AND ANSI/ISEA Section 5.1.2 puncture category Level 3 BS EN-388 (2003)] – wristlet made with 100% Kevlar. An inner layer of 3M Thinsulate FR 120 protects from heat/flame exposure. The POWER GRIPZ proprietary grip pad reinforcement on the fingertips and palm enhanced the durability and protection while maintaining high level of dexterity.
