

WELCOME TO OUR URBAN CELLAR DOOR

We are a family-owned winery driven by crafting wines that offer a true sense of place, but fundamentally we are not from a single place!

The Mornington Peninsula is home to our winery and flagship vineyard Capella, but our winemaking spreads to our six fully-owned vineyards across the country - from Barossa Valley to Tasmania - and beyond; from regional to site-specific projects in New Zealand or even Oregon.

Our wines are a window into the character of where they are grown and made, and today you can experience them all under the same roof.

Welcome to Handpicked® Wines!

THE HANDPICKED® WINES RANGE

NUMBERED SERIES The pinnacle of winemaking. Only crafted from exceptional vintages and in extremely limited quantities.

SINGLE VINEYARD From our organically managed vineyards and only released in the finest vintages; so expressive they couldn't be from anywhere else.

COLLECTION A curated selection crafted to reflect a supreme sense of place and exceptional character. You're in for a treat.

REGIONAL SELECTIONS Ditch the GPS, you'll only need your palate to tell you where you are. Regionality at its best.

TRIAL BATCH Our winemakers have worked on something truly special - tiny quantities and not available elsewhere.

OUR VINEYARDS

CAPELLA VINEYARD | Mornington Peninsula, VIC

certified organic & sustainable

Near the shores of Western Port on the Mornington Peninsula is Capella Vineyard, a small ultra-premium vineyard with 5.2 ha of Pinot Noir and 1.6 ha of Chardonnay.

The vines are hand pruned and hand harvested, with an increasing emphasis on sustainable practices. Soils are grey clay loam and there is a strong maritime influence, with moderating winds year-round.

HIGHBOW HILL VINEYARD | Yarra Valley, VIC

organically farmed

Highbow Hill Vineyard is 40 hectares of established vines planted on rolling hills just north of Yarra Glen village in the Yarra Valley.

The soils are sandy loam over clay and gravel over mudstone and there is an abundance of native flora and fauna, including wombats and kangaroos. The varieties planted are Chardonnay, Pinot Noir, Cabernet Sauvignon and Marsanne.

WOMBAT CREEK VINEYARD | Yarra Valley, VIC

organically farmed

At 424m above sea level, Wombat Creek is the most elevated vineyard in the Yarra Valley.

Mature Pinot Noir and Chardonnay vines are planted on north and west-facing hills near Gladysdale in the outer reaches of the Upper Yarra Valley. There are 16 ha under vine – 6 ha of Chardonnay and 10 of Pinot Noir. The soils are free-draining volcanic loams.

WATUNGA ROAD VINEYARD | Barossa Valley, SA

organically farmed

This 12-hectare vineyard features the most gorgeous Grenache and Shiraz old bush vines planted in the 70s.

Located in Koonunga on the valley's flat floor, it displays the classic deep red-brown loam over clay Barossa soil. All vines are hand pruned and hand harvested, and the soils nurtured with biodynamic fertilisers and green manure crops.

AUBURN ROAD VINEYARD | Tamar Valley, TAS

certified organic & sustainable

Auburn Road Vineyard is a patch of untamed paradise on the west side of the Tamar River in Tasmania's north. This cool vineyard has views to the north over the Tamar River estuary and Bass Strait, which exerts a strong maritime influence.

The vines are planted on north-facing slopes that spill into a spring-fed lake surrounded by native forest.

NATIVE POINT VINEYARD | Tamar Valley, TAS

certified organic & sustainable

Slope-planted Pinot Noir, Chardonnay and Pinot Gris vines thrive in this vineyard, one of very few on the eastern bank the Tamar River. Its north-westerly aspect and its position in Swan Bay, about 50km inland from Bass Strait, make this site one of the warmest in Tasmania and it has the advantage of good rainfall and irrigation dams.

NUMBERED SERIES

With Handpicked® Numbered Series we have reinvented the iconic Australian blend.

Each wine in this series is unique, made in tiny quantities from special fruit parcels and only crafted in exceptional vintages

2014 NO.1 VICTORIAN SHIRAZ | Highbow Hill Vineyard (Owned) & Malakoff Estate Vineyard (Grower) **50 90**

A beguiling combination of rich fruit, savoury spice and earthy depth, this wine is at once powerful and refined. The palate is full-bodied, with concentrated dark berry fruits leading the charge. There are layers of black pepper, herbs and seamless French oak. The tannin is assertive, round and flawlessly fine. This is a wine of rare sophistication that will develop gracefully over the long term.

Each parcel of fruit was vinified and matured separately to maintain the integrity of each site and provide optimum choice at blending. Fermented in temperature-controlled open fermenters and hand plunged. Matured predominantly in Sirugue barrels for their ability to bring out the best in spicy, full-fruited wines and a small selection of other coopers were used for added complexity.

2012 NO.2 BAROSSA VALLEY SHIRAZ | Watunga Road Vineyard (Owned), Select Vineyards (Grower) **50 90**

This wine is made in the renowned Barossa style - rich and generous with great depth of flavour. The nose is a complex medley of spicy dark fruits and fruit cake; American and French oak adds notes of vanilla and cedar. The full-bodied palate has intense flavours of plums and raisins balanced by natural acidity and robust, integrated tannin.

Fermented in small overhead fermenters and matured in predominantly American oak hogsheads made by Barossa cooper AP John. Chosen for their sweet and luscious characters that complement the bold Barossa Shiraz wine style. The small portion of French oak adds aromatics and finesse. The wine was matured in barrel for two years and then aged in bottle in our cellars for several years before release. It will continue to develop for many years.

Numbered Series is also available by the bottle - corkage fee \$20

2014 NO.5 COONAWARRA CABERNET SAUVIGNON | FROM 20-YEAR-OLD SPUR-PRUNED VINES
NEAR PENOLA (GROWER)

50 90

This wine has all the defining aromas of Cabernet Sauvignon - cassis, ripe blackberry and a leafy freshness - with the added depth of mint and dark chocolate that is quintessentially Coonawarra. The palate is full bodied with deep cassis and blackberry flavours layered with rich dark chocolate, mint freshness and subtle cedar and toffee oak notes. The tannins are firm and fine, driving to a long and satisfying finish.

Fruit was destemmed and partially crushed before fermentation in open fermenters with twice-daily rack and return to extract flavour, colour and tannin. The wine was matured for 16 months in French oak hogsheads and barriques; about half were first or second use barrels. We chose St Martin and Demptos barrels with a tight grain and deep, slow toast to add flavour and structure without charry notes.

2015 NO.6 MARGARET RIVER CABERNET MERLOT | BRINDLE VINEYARD (GROWER)

50 90

This wine has the distinctive bay leaf aromas of Margaret River Cabernet together with deep cassis, chocolate and lifted red berry freshness. The palate has brooding blackberry and cassis boosted in the mid-palate with generous bright red fruits from Merlot. Classic Cabernet structure and drive produces a long tail of fine tannin and crisp acid reinforced with subtle oak and appealing mineral notes.

Fruit was destemmed and crushed and left to macerate in open fermenters before fermentation commenced naturally with wild yeasts. The wine was matured for 26 months in French oak barriques, about 60% new. We used St Martin and Taransaud oak, including premium limited-series Taransaud T5 barrels for extra elegance and depth. grain and deep, slow toast to add flavour and structure without charry notes.

Numbered Series is also available by the bottle - corkage fee \$20

FOOD

As with our wines, regionality is the guiding influence when we select our curated artisan cheese and charcuterie. We work with some of the greatest artisan cheese makers in Australia and abroad including Matthieu Megard of L'Artisan and Will Studd.

Our ever-evolving selection is carefully chosen by our Chef using local cheesemongers and charcutiers, then sliced and served fresh on your plate.
