

WELCOME TO HANDPICKED®

Handpicked is a dynamic and contemporary family-owned Australian winery.

Driven by a passion to make great wines - we do not limit ourselves to one region or style. Instead, we 'hand pick' from the world's best regions to make fine wines with a supreme sense of place.

With several trophies and hundreds of accolades to our name, Handpicked® has earned a reputation as a top site-specific producer vintage after vintage.

Welcome to Handpicked!

THE HANDPICKED RANGE

NUMBERED SERIES The pinnacle of indulgence. Rare and distinguished wines of exceptional provenance and limited production.

SINGLE VINEYARD Expressive and beautiful varietal wines highlighting the power and magic of single vineyard sites and precision winemaking.

COLLECTION A fine wine experience reflecting artisanal winemaking, meticulous regional sourcing and uncompromising visions.

REGIONAL SELECTIONS Classical and delicious every day drinking wines reflecting the very best of nature and nurture (from Australia and select regions of the world).

TRIAL BATCH This range is a collection of small batch wines crafted using alternative techniques, methods and viticultural practices.

NO SPLIT BILLS | 10% SURCHARGE ON PUBLIC HOLIDAYS

OUR VINEYARDS

CAPELLA VINEYARD | Mornington Peninsula, VIC
certified sustainable & organic

Near the shores of Western Port on the Mornington Peninsula is Capella Vineyard, a small ultra-premium vineyard with 5.2 hectares of Pinot Noir and 1.6 hectares of Chardonnay. Soils are grey clay loam and there is a strong maritime influence, with moderating winds year-round.

The vines are hand pruned and hand harvested, grown using sustainable practices. Planted around a lake that is home to a thriving community of freshwater shrimp, fish and eels, but also to our resident and migratory birds, including our signature black swans.

HIGHBOW HILL VINEYARD | Yarra Valley, VIC
certified sustainable & organically farmed

Situated north of the Yarra Glen village in the Yarra Valley is Highbow Hill Vineyard, planted on rolling hills are 40 hectares of established Chardonnay, Pinot Noir and Cabernet vines. Soils are sandy loam over clay and gravel over mudstone, in a relatively cool to moderate mediterranean climate.

Nestled over the brow of a hill looking north that provides panoramic views overlooking the Valley with an abundance of native flora and fauna present, including wombats and kangaroos as well as a central dam amidst the vines.

WOMBAT CREEK VINEYARD | Yarra Valley, VIC
certified sustainable & organically farmed

At 424m above sea level, in the outer reaches near Gladysdale, Wombat Creek is the most elevated vineyard in the Upper Yarra Valley. On the north and west-facing hills are 6 hectares of mature Pinot Noir vines and 10 hectares of Chardonnay. The soils are free-draining volcanic loams, in moderate continental to cool mediterranean climate.

Steep slopes of vines stretch to the north, at the bottom there is a spring-fed pond covered in water lilies; Wombat Creek's water source. The surrounding forest, fern gullies and creeks are home to platypus, lyrebirds, kangaroos, wallabies and, of course, wombats.

WATUNGA ROAD VINEYARD | Barossa Valley, SA
certified sustainable & organically farmed

Located in Koonunga on the valley's flat floor, lies Watunga Road Vineyard, 12 hectares with several blocks of Old Vine bush Grenache and Shiraz planted in the 70s. Its iconic alluvial deep red-brown loam over clay subsoil rests within a warm Mediterranean climate.

Half a century later, and remaining unaffected by phylloxera, these hand-tended, organically cultivated, and low-yielding bush vines adopt an ancient technique of layering, which allows the vine to maintain the existing old vine root system.

AUBURN ROAD VINEYARD | Tamar Valley, TAS
certified sustainable & organic

An untamed paradise on the western bank of the Tamar River in Tasmania's north, Auburn Road Vineyard has views to the north over the saline and tidal estuary and Bass Strait. Its 10 hectares of Chardonnay and Pinot under trellis with a clay loam over a subsoil of medium to heavy clay with seams of ironstone, amidst a cool with maritime influence climate.

Vines are planted on north-facing slopes that spill into a spring-fed lake surrounded by native forest dense with wild turkeys, black swans, hopping pademelons and the majestic colour displays of roaming wild peacocks.

NATIVE POINT VINEYARD | Tamar Valley, TAS
certified sustainable & organic

One of very few vineyards on the eastern bank of the Tamar, Native Point's north-westerly aspect is one of the warmest in Tasmania from the sun reflected off the river with the advantage of good rainfall and irrigation dams.

10 hectares of Pinot Noir, Chardonnay and Pinot Gris thrive on elevated loamy sands over light to medium sandy clays and light clay and sandy loam over medium clay soil through the lower slope, in a cool with maritime influence climate.

Positioned in Swan Bay, and located about 50km inland from Bass Strait, it is one of the most intact wetland and bird habitats in Australia.

NUMBERED SERIES

With Handpicked® Numbered Series we have reinvented the iconic Australian blend.

Each wine in this series is unique, made in tiny quantities from special fruit parcels and only crafted in exceptional vintages

2015 NO.1 VICTORIAN SHIRAZ | Highbow Hill Vineyard (Owned) & Malakoff Estate
Vineyard (Grower)

90 430

A beguiling combination of rich fruit, savoury spice and earthy depth, this wine is at once powerful and refined. The palate is full-bodied, with concentrated dark berry fruits leading the charge. There are layers of black pepper, herbs and seamless French oak. The tannin is assertive, round and flawlessly fine. This is a wine of rare sophistication that will develop gracefully over the long term.

Each parcel of fruit was vinified and matured separately to maintain the integrity of each site and provide optimum choice at blending. Fermented in temperature-controlled open fermenters and hand plunged. Matured predominantly in Sirugue barrels for their ability to bring out the best in spicy, full-fruited wines and a small selection of other coopers were used for added complexity.

2015 NO.2 BAROSSA VALLEY SHIRAZ | Watunga Road Vineyard (Owned), Select Vineyards
(Grower)

90 430

Crafted in the renowned Barossa style - rich and generous with great depth of flavour. The nose is a complex medley of spicy dark fruits and fruit cake; American and French oak adds notes of vanilla and cedar. The full-bodied palate has intense flavours of plums and raisins balanced by natural acidity and robust, integrated tannin.

Fermented in small overhead fermenters. Our barrels were made by Barossa cooper AP John from predominantly American oak, with a small portion of French oak for the parcel from the cooler, more elevated vineyards. We chose American hogsheads for their sweet and luscious characters that complement the bold Barossa Shiraz wine style. The French oak adds aromatics and finesse. The wine was matured in barrel for 2 years and aged in bottle in our cellars for year prior to release.

GL BTL

2014 NO.5 COONAWARRA CABERNET SAUVIGNON | FROM 20-YEAR-OLD SPUR-PRUNED VINES
NEAR PENOLA (GROWER)

90 430

This wine has all the defining aromas of Cabernet Sauvignon - cassis, ripe blackberry and a leafy freshness - with the added depth of mint and dark chocolate that is quintessentially Coonawarra. The palate is full bodied with deep cassis and blackberry flavours layered with rich dark chocolate, mint freshness and subtle cedar and toffee oak notes. The tannins are firm and fine, driving to a long and satisfying finish.

Fruit was destemmed and partially crushed before fermentation in open fermenters with twice-daily rack and return to extract flavour, colour and tannin. The wine was matured for 16 months in French oak hogsheads and barriques; about half were first or second use barrels. We chose St Martin and Demptos barrels with a tight grain and deep, slow toast to add flavour and structure without charry notes.

2015 NO.6 MARGARET RIVER CABERNET MERLOT | BRINDLE VINEYARD (GROWER)

90 430

This wine has the distinctive bay leaf aromas of Margaret River Cabernet together with deep cassis, chocolate and lifted red berry freshness. The palate has brooding blackberry and cassis boosted in the mid-palate with generous bright red fruits from Merlot. Classic Cabernet structure and drive produces a long tail of fine tannin and crisp acid reinforced with subtle oak and appealing mineral notes.

Fruit was destemmed and crushed and left to macerate in open fermenters before fermentation commenced naturally with wild yeasts. The wine was matured for 26 months in French oak barriques, about 60% new. We used St Martin and Taransaud oak, including premium limited-series Taransaud T5 barrels for extra elegance and depth. grain and deep, slow toast to add flavour and structure without charry notes.

WINE TASTING FLIGHTS

Every flight is curated by our Sommeliers to guide you on a tasting journey, whether that be exploring regionality, a specific grape variety, or the latest news from our winemakers. Our Chef will then perfectly match each flight with artisan cheese to highlight and complete your tasting experience.

STEP 1

Browse the following 12 Flights which have been Sommelier-curated

STEP 2

Choose your flight option (4 x 75mL pours)

STEP 3

Decide if you are going to order the deliciously matched Chef-selected artisan cheese portions (4 x 20g) for an additional \$20

HOUSE OF ARRAS

Founded in 1995, the name 'Arras' means rich tapestry. For over a quarter of a century now, we have taken time to understand the rich tapestry that makes the Tasmania terroir, and our wines are a celebration and expression of this relationship.

Under the leadership of Australia's most awarded sparkling winemaker, Ed Carr, House of Arras sources traditional varieties, Chardonnay, Pinot Noir and Pinot Meunier and crafts exceptional sparkling wines from a tapestry of cool climate vineyards throughout pristine Tasmania, ideal for long, slow and consistent fruit development.
