Collection Coonawarra

Cabernet Sauvignon

We are a family-owned Australian winery passionate about crafting top-quality wines that offer a true sense of place, but we are inherently not based in a single place! The Mornington Peninsula is home to our winery and flagship vineyard Capella, but our winemaking spreads to our vineyards across the country - from Barossa Valley to Tasmania – and beyond.

ORIGIN
Coonawarra, Australia.

Australia's first delineated wine region, Coonawarra is a cool-to-medium climate region famed for its 'terra rossa' of red earth laid over limestone, a soil profile confined to a cigar-shaped strip of land just 21km long and 2km wide.

The limestone gives access to an aquifer of pure water. The typically long seasons culminate in the reliable warm, dry days and cool nights of autumn. All this combines to promote health vines that produce naturally low yields of perfectly ripe fruit with beautifully-balanced natural acidity.

CRAFTING & AGEING

This wine is from select vineyards on the terra rossa strip; the vines are aged between 20 and 50 years. The fruit was picked at the end of March and into April. Small bunches of small, thick-skinned berries created this wine of excellent concentration and firm tannin. The wine was matured in a mix of old and new French oak for 18 months.

AROMA & PALATE

A full-bodied wine with ripe cassis and blackberry flavours rich oak character, robust tannin and the dash of mint that is classic Coonawarra.
