

BOSTON

The traditional square and solid buildings which tower above the historic city of Boston were the inspiration behind the creation of our Boston range. Flat and smooth. Strong and symmetrical.

ESTELLE
PREMIUM FRAMELESS GLASS SOLUTIONS

THE CLASSIC SERIES

European, cosmopolitan styling. Form and function. Robust quality.

The most important fitting in a frameless shower is the hinge. It needs to be strong, secure, consistently reliable, installer friendly as well as modern and stylish.

Our comprehensive CLASSICS range of modern and stylish frameless shower fittings allow architects and decorators to create the most luxurious bathroom finish.

Estelle® hinges, brackets, handles and knobs are 'Solid Brass' and uniquely crafted to match perfectly with each other. They are designed to complement most bathrooms from classic to ultra-modern.

The CLASSICS

Estelle® hinges are engineered to perfection! So confident are we in our products we offer a lifetime guarantee. Don't be fooled by imitations. Insist on Estelle®.

Available in Boston, Aspen and Romano.
