# THE LAWS SERIES

-One Source, One Planet, One People- Life's Questions Answered.

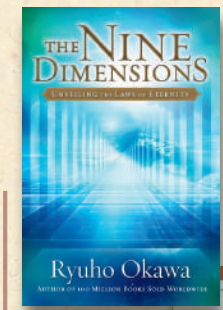

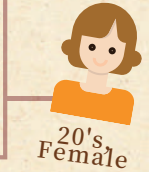

## Trilogy

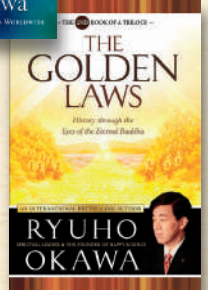

¥2,000/L 0665

"Until I read this book, I thought my life was a series of meaningless accidents or coincidences and could not find the energy or motivation to do anything. However, after reading this book, I came to know that I am a child of God and that my Buddha nature resides in me."

I realized that I was born to forge my soul and draw closer to God, and I finally regained the strength to move forward with purpose in my life."
