VENT-FREE FIREBOX

LOVE AT FIRST LIGHT

VENT-FREE EXPERTS | STYLE

- Flush-hearth design and tall opening mimic the look of a real wood-burning fireplace
- Screens tuck away into hidden pockets to reveal expansive views
- Multiple interior panel selections fit your decor and highlight your vent-free log set
- A choice of add-on options creates your own unique look
- Angled firebox and uniquely engineered air channels move more heat into the room, maximizing efficiency
