

User Instruction — MAGNETIC TRACK LIGHT

- 1. Before installing the fixtures, please read the instruction manual carefully.
- 2. The lighting fixtures should be installed, connected and tested by a certified installer based on the local regulations.
- 3. Lamps should always be installed or replaced with care.
- 4. Don't use overrated power lamp.
- 5. Relamping only can be done when the power is off and the lamp is completely cooled down.
- 6. When a lamp is to be cleaned, switch off the fixture and let it cool down completely. Clean the fixture with a soft cloth and a standard PH neutral detergent.
- 7. Misuse or changes to the fixture shall nullify the guarantee.
- 8. This recessed luminaire shall under no circumstance be covered with insulating matting or similar material.
- 9. This luminaire is IP20, indoor use only.
