Desai Foods Private Limited has diversified business operations with interests in Health Care – Hospitals, Logistics, Finance & Investments, Food Processing, Hospitality, Tobacco Products & Specialty Chemicals.

Desai Foods Private Limited has expended immense resources in developing powerful Corporate Social Responsibility (CSR) initiatives. The organization believes that education holds the key to development and has thus set up H.V. Desai College which has now become a premier institute in Pune with a more than 3000 students. In the year 2000, the organization also inaugurated the H V Desai Eye Hospital with the goal of providing eye care to everyone in need. In the 16 years since, it has treated more than 1.40 million patients and performed a quarter of a million surgeries more than 60% of which were carried out free of charge.

Mother's Recipe is a well known Indian Ethnic Foods Brand owned and managed by Desai Foods Private Limited . We have a strong presence in both the Indian as well as International markets. Our facilities are certified under ISO 9001 and FSSC 22000 as well as with HACCP, US FDA, Kosher and Halal. The Company follows stringent hygienic standards and strict quality control procedures are implemented at various stages of processing to ensure that only the best quality products leave the factory.

From Pickles, Condiments, Curry pastes, Chutneys, Curry Powder, Blended Spices, Ready-to-cook Mixes, Ready to Eat meals, Instant breakfast mixes, Pappadums, Mango pulp, Gherkins and other Canned foods - Mother's Recipe today is one of the largest providers of traditional & authentic Indian taste exported to more than 40 countries in the world.

As a leading Quality Manufacturer, our Vision is to expand globally and be recognized as an Indian Household name around the world. We are committed to grow with integrity and have thus, allocated resources in manufacturing, expansion, brand building & strategic relationships.
