

# FALL IN LOVE WITH YOUR SKIN

## TREAT POST-SUMMER HYPERPIGMENTATION FOR BRIGHTER SKIN

The UV radiation from the sun is the biggest culprit when it comes to brown spots on the epidermis. 63% of brown spots are due to the sun. In order to treat this concern, Biologique Recherche has developed the PIGM 400 range.

Start with **Lotion P50 PIGM 400** to recover **luminous and radiant skin** with an even-toned and brightened complexion. This exfoliating and lightening lotion also:

- Enhances **epidermal renewal** and helps regulate melanin synthesis
- Balances pH and improves **epidermis' strength**

Follow with targeted **Sérum PIGM 400** to **reduce dark spots** while **preventing the appearance of new ones**. It unifies, reduces irregularities and **illuminates the skin tone**.

Combining **Crème PIGM 400** with **Sérum PIGM 400** visibly brightens dark spots and gives a **better complexion**.

This specific cream:

- Provides an **immediate lightening effect**
- **Evens out the complexion** and reduces irregularities
- Helps **fight aging** thanks to its anti-free radical action

Your hands are also subject to hyperpigmentation.

Use **Emulsion Mains PIGM 400** to unify and **reduce irregularities** and immediately **brighten the skin!**

## FALL PRODUCT FOCUS

**Cocktail d'Actifs Régénérants** is the product of the most advanced biotechnology. It boasts 58 regenerating, moisturizing, revitalizing, and stimulating active ingredients. This targeted serum reduces and prevents the appearance of fine lines and wrinkles by activating cellular regeneration. Its antioxidant action protects from free radicals. It also hydrates and improves skin tone and texture.

Add this powerful serum to your home regimen.

## Dr. Allouche's Fall Tip for Body

After Summer, the dermis and epidermis of your body may be affected by the sun. This is the time you can see stretch marks appear and it is the key moment to treat them!

- Exfoliate with **Lotion P50 Corps** or **Gommage P50 Corps** using the body massage glove
- Activate micro-circulation, hydrate and tone with **Sérum Matriciel Corps**
- Treat stretch marks with either **R or B Stria** depending on the type (red or white)

Easy to follow at home, these steps will allow you to **attenuate stretch marks while firming and soothing the epidermis** of your body!

## Fall-Favorites for scalp

### Lotion P50 Capillaire

This multi-purpose lotion restores the hair's strength and vitality by purifying the scalp and regulating sebum secretion. Spray unto your scalp and massage gently with your fingertips before shampooing, it will also boost hair fiber resistance!

Thanks to its rich formula combining Yeast and Shea extracts, **Masque Biologique Capillaire** nourishes and strengthens weakened hair and protects it from external aggressions. Ideal for dry, fragile and devitalized Scalp Instants.
