Size Guide!

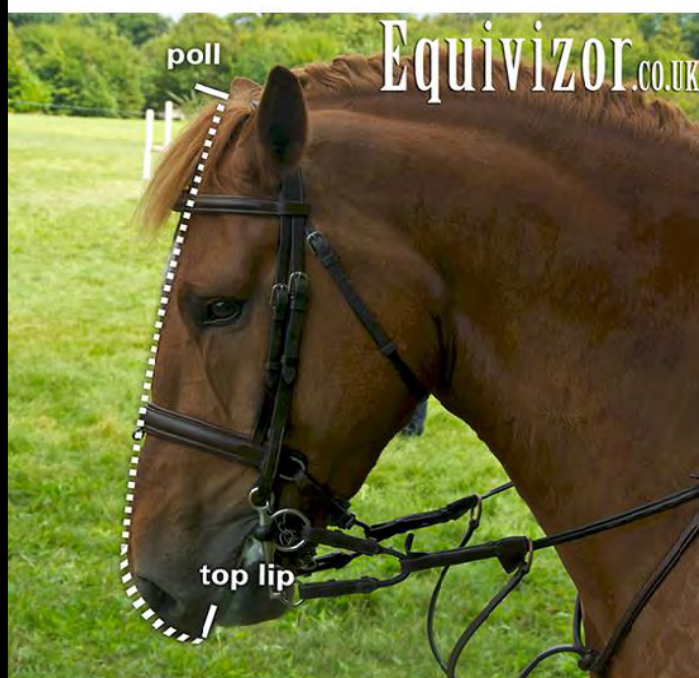

Welcome to the Equivizor size guide we have made a simple to follow guide to choosing the right size to fit your horse. If you struggle to follow our guide or would like any more advice on sizing please don't hesitate to email us and we will reply as soon as we can.

Measure **ACROSS** for the Equivizor Fly Mask (without nose protection),
Recovery Equivizor, Racing Equivizor
Eye Corner to Eye Corner:- Foal 18-20cm; Pony 22-28cm;
Cob 32-34cm; Full 36-38cm, Extra Large 40-43cm

Please remember each horse is different some horses may have wider faces, longer or shorter heads, this guide is what we would recommend but some people find a more delicate head may need a size down and vice versa. Any issues with sizing or fitting of your chosen mask when it arrives please contact us so we can guide you, we are always happy to help.

Measure **DOWN** for the Equivizor Fly Mask (with nose protection),
Transport Equivizor, Anaesthesia Equivizor
Poll to Top Lip:- Foal 40-42cm; Pony 49-51cm;
Cob 67-69cm; Full 74-76cm, Extra Large 76-83cm
