Promate SH-01 Professional Rugged Wired PTT Headset

The Savox Promate SH-01 is the ideal accessory for most professional LTE units, adapting quickly to your needs in varying professional surroundings. The extremely rugged design of the wired headset (IP67 – waterproof up to 1m) provides a reliable service even in the most extreme conditions. The toggle functionality allows users of all applications to use the SH-01 as a one push device for easy communications while still being able to use both hands for operations.

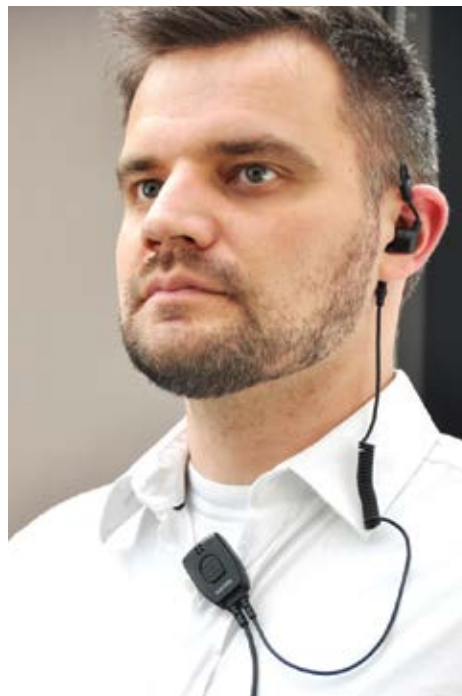

KEY BENEFITS

- Dirt and moist tolerant (IP67)
- Comfortable tactile feel on the press button, easy to use even with gloved hands
- Toggle functionality with all leading PTT applications
- Full duplex call functionality
- Rugged design
- C-shaped earhook for secure and comfortable use
- Best fit to your ear by a 3-tiered earbud
