

Smart WiFi Outdoor Outlet Plug

Quick Start Guide

Model NO: ASHWP02F

Features

Remote Access

Control, schedule and monitor your favorite home devices anywhere, anytime, through your smartphone or tablet

Voice Control

Pair it with Alexa or Google Assistant and control your home devices with your voice

Device Control Sharing

Support multiple users to control the same device

Manual Control

Manually turn device on/off by pressing the button on the top

Easy Installation

- The smart home device only supports 2.4Ghz frequency. If your router supports both the 2.4Ghz and 5Ghz frequency, the 5G network is usually labeled as "Router-5G" so please connect to the other one.

- Each smart home device can only be registered to one account but it can be shared with others by using the sharing function of the app.

- 1 Download the free eco4life app from the Apple App store or Google Play store
- 2 Follow the on screen instructions to create account for eco4life
- 3 Plug in the Smart Outlet to a wall outlet
- 4 Press the "+" icon in the top right corner of the app

Image 1

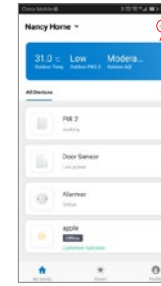

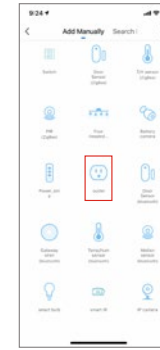

Image 2

Launch the App; the Menu Page will appear as the screen shot of Image 1 below. Press the "+" to start adding a device. The page will appear as screen shot Image 2 above. Select "Outlet"; the App will then scan nearby devices automatically.

Image 3

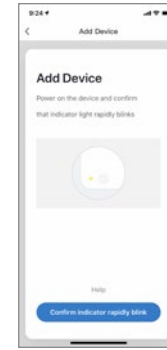

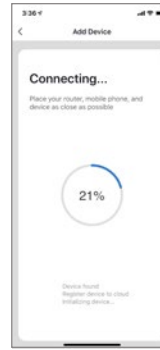

Image 4

Confirm indicator light is blinking on the device (Image 3).

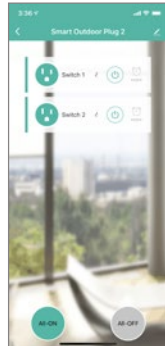

Image 5

Press the "DONE" button to finish installation

Press return arrow (←) in the top left corner to return to the main menu page, and you will see the device listed on the menu page. You may now enter into the device interface.

Image 6

Warranty

Aluratek warrants this product against defect in material or workmanship for **1 YEAR** from the date of purchase.

This warranty becomes invalid if the factory-supplied serial number or "warranty void" sticker has been removed or altered on the product.

This warranty does not cover:
A) Cosmetic damage or damage due to acts of God
B) Accident, misuse, abuse, negligence or modification of any part of the product.
C) Damage due to improper operation or maintenance, connection to improper equipment, or attempted repair by anyone other than Aluratek.
D) Products sold AS IS or WITH FAULTS.

IN NO EVENT SHALL ALURATEK'S LIABILITY EXCEED THE PRICE PAID FOR THE PRODUCT FROM DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THE PRODUCT, ITS ACCOMPANYING SOFTWARE, OR ITS DOCUMENTATION.

Aluratek makes no warranty or representation, expressed, implied, or statutory, with respect to its products, contents or use of this documentation and all accompanying software, and specifically disclaims its quality, performance, merchantability, or fitness for any particular purpose. Aluratek reserves the right to revise or update its product, software or documentation without obligation to notify any individual or entity.

Technical Support

If you need further assistance, please contact the Aluratek support department for troubleshooting prior to returning this device.
