**Élevage** - 25 HL Garbellotto Botti and neutral oak, Native Fermentation

**Production** - 350 Cases, also available in keg

**Alcohol** - 13.5%

### Winemaker's notes

Always blended to display a signature house style, the il Campo red marries bright fruit and fresh acidity with a richly textured, medium-weight body. Eschewing new oak or any other cellar intervention gives us an ideal representation of the vintage in a food-friendly, easy-drinking style.

### Tasting notes

Our most approachable wine shows bright aromatic notes of wild strawberry, cherry, wild fennel, graham cracker, and candied orange peel. The palate is full of dark cherry, oregano, charcoal with subtle smoke and delicate oak spice. This everyday drinker is easy on the palate with good acidity and enough structure to hold up to any simple Italian meal.
