Winemaker's notes

A small portion of our 2018 Vermentino set aside for amphora/skin-contact production. After a slow fermentation, we sealed the amphora for a lengthy 7 month extended maceration. Pressed and hand bottled shortly thereafter, it shows decidedly different character from our other bottling with the same grapes.

Tasting notes

nose - yuzu, pomelo skins, minty herbaceous notes

palate - grapefruit, thyme, bitter dandelion greens
