### PLEASE NOTE:

This label has been calculated using Sparkle Town's Detox fragrance oil in Perfumers Alcohol at a concentration of 25% fragrance, 75% Perfumers Alcohol.

If you add additional fragrances or other chemicals to your products this label will no longer be accurate.

Please ensure you populate with your own contact details, product name (if different) and weight before publishing on your own products.

It is your responsibility to check you are using concentrations within the IFRA limits, as stated on the IFRA Certificate, and to ensure that you have fully tested your final product.

Please note - this label does not replace the need for a standard safety label with appropriate safety wording and symbols.

**Disclaimer: We have taken every care to ensure the accuracy of this CLP label. However Sparkle Town Limited accept no responsibility for any inaccuracies.**
