ABOUT THE BOOK

What A Pest! is a bold and graphic counting book packed full of creepy, crawly, and slimy pests. This sturdy board book is a fun way for preschoolers to learn to count from 1 to 10, with simple rhyming text and brightly colored artwork. Each “pesky” illustration is embellished

with iridescent foil, making this an irresistible addition to any preschooler’s library.

ABOUT THE AUTHOR

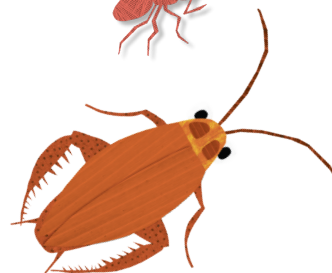

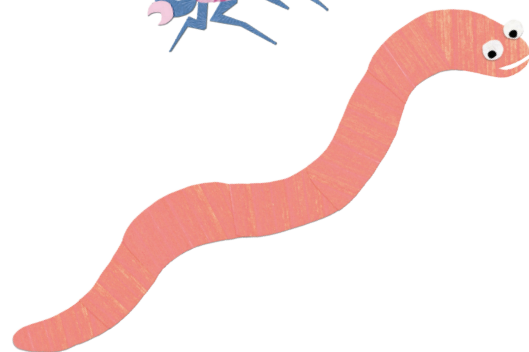

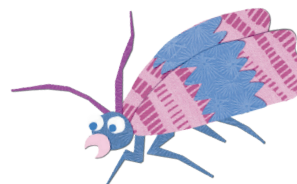

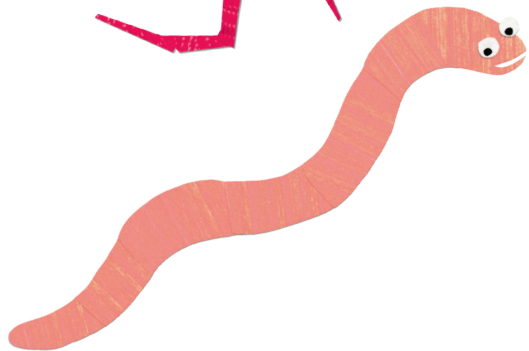

Elliot Kreloff is an award-winning designer and children’s book illustrator. His career as creative director for Scholastic Books, Disney Publishing Worldwide, MacMillan Publishing, Blue Apple Books, and his own studio, Design Five, has spanned over forty years. As an arts educator, he has taught at Parsons School of Design, New York Institute of Technology, Rutgers University and Fordham University. His books have been awarded Best Book of the Year by Child Magazine, and he has received numerous awards from various professional design organizations. He lives in Harlem, NYC.
