

## Serveredge 24RU 750mm Wide & 1135mm Deep Premium Soundproof Free Standing Basic Office Server Rack

Product Code: DX-24RU-71FS

### PRODUCT DESCRIPTION

Serveredge DX-24RU-71FS office rack enclosure is the perfect solution for someone who doesn't have the time, budget nor space to build a dedicated IT zone. Presenting a discrete, furniture-like appearance, it is designed to blend into non-IT spaces such as the Home Office, School, AV room, Small Office and Remote Office environments. It is soundproofed with sound attenuation of up to 15 dB(A) to be an even more discrete solution. It is portable, secure, and can be used as a durable worktop that can be utilised for office equipment such as printers or fax machines.

The basic DX series cabinets are packed with features designed to simplify rack equipment installations and rack equipment maintenance: Cable routing glands from both top and bottom, efficient airflow, adjustable mounting rails, removable rear door and much more. The DX-24RU-71FS comes with a manufacturer 3 year warranty.
