15RU SLIDE & SWIVEL RACK
PART NUMBER: CBN-15RU-SSR

PRODUCT DESCRIPTION

The Serveredge 19 Inch Slide Out Rack allows for easy access to equipment inside closed spaces such as cabinets and flush in-wall installations.

The rack features a sliding rack frame on top of the base designed to be securely bolted or screwed to a flat solid surface. The top unit slides out and locks in an extended position. It can be rotated left and right up to a 90 degree angle and locked at 0º and 90º for easy installation.

The rack comes with cable management lacing bars pre-installed to the rear, eliminating cable tension and providing an easy and clean installation.

PRODUCT FEATURES

- Features a sliding and swiveling rack frame on top of a fixed base
- Locks in the extended position for simplified equipment integration
- Rear cable management lacing bars for effective cable management
- Turntable rotates up to 180º with 90º left and 90º right rotation.
