1-PORT 19INCH LCD KVM - PS/2 USB VGA

INCLUDES 1 × CUSTOM KVM CABLES

PART NUMBER: SED-KLVGA-0119V2
BAR CODE: 9352399001351

PRODUCT DESCRIPTION

The Serveredge KVM console integrates a 19" Wide Screen LCD display, slim keyboard and a mouse touchpad to manage single or multiple computers across a network. The KVM uses only 1RU of rack space, delivering a space friendly solution for complete management.

Space Friendly & Less Clutter
1RU of rack space is all it requires, allowing extra storage area so your cabinet rack will be much more organised. Just slide open the 19" console display when it is required and close after use and slide back into place. The KVM can also be mounted onto your cabinet rack as an option.

Reduce IT cost & maximise budget
Serveredge LCD KVM console provides all the essential equipment to allow you to manage multiple computer(s) at an affordable cost. There's no need to spend on multiple displays and keyboards as you will only require the one console to manage and control productivity.

Quick Assembly and Warranty
The LCD KVM's comes with a user friendly quick installation manual and 1 year warranty for the extra piece of security.
