SERVICE & PARTS

Part of Your Dream Team

KASCO employs a nationwide network of highly skilled technicians. Every tech manages a local warehouse and carries a large inventory of parts on their truck to provide on-the-spot repairs. Same-day and next-day emergency repair service is available in most areas.

We Cover It All!

- Ice Machines
- Produce Misters
- Coffee Machines
- Water Filtration
- Lobster Tanks
- Case Foggers
- Case Bulbs
- Sink Sprayers
- Meat Saws
- Meat Grinders
- Tenderizers
- Cubers
- Slicers
- Rotisserie Ovens
- Fryers
- Stoves
- Vent Hoods
- Oil Tanks

Water Treatment

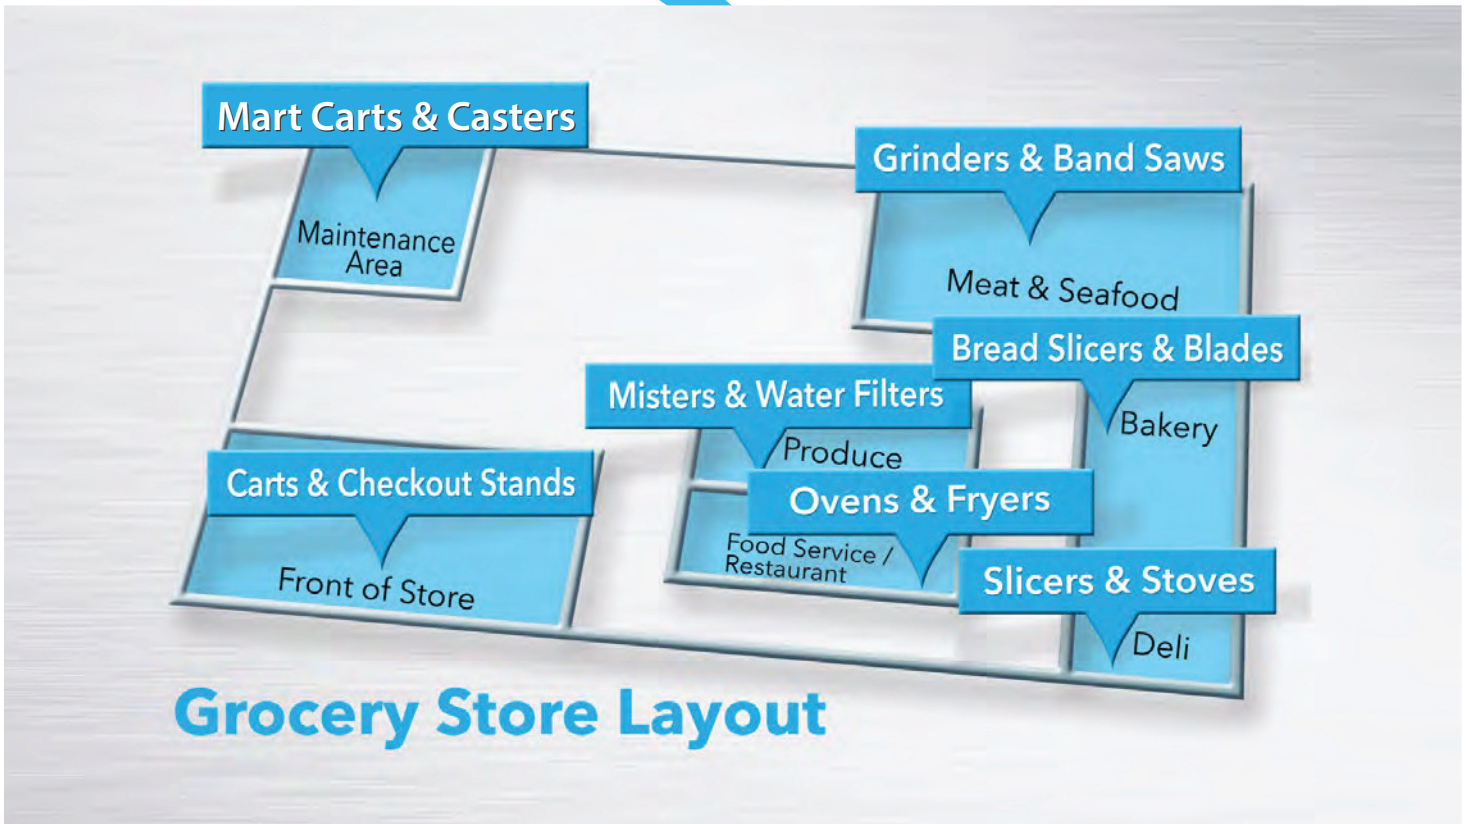

KASCO supplies and installs filtration and scale prevention on all types of water systems. Regularly scheduled filter changes and maintenance ensures great quality water, especially important for water supply lines to ice machines, coffee makers, steamers, proofers, misters and more.

6 Reasons...

1. Lower utility costs
2. Fewer failures
3. Consistent output

MAINTENANCE

- Combi Ovens
- Bakery Proofers
- Steamers
- Mixers
- Hot Cases
- Warmers
- Glazers
- Bread Slicers
- Hand Wrappers
- Can Openers
- Mart Carts
