

These little creatures can be very cute, especially when carved out of wood. Make him really large for effect or as tiny as you can.

Wood:

Basswood or Tupelo is recommended for this carving due to the detail that can be added.

Tools: This is best carved with a smaller knife such as a Slim Scalpel and a String Beaner. If making a large one, go with the rough detail carver knife.

Options:

Carve it out of Butternut or a figured hardwood as a smoothy and leave it unpainted.

Super glue Paperclips in for les, and then paint them black

Paint: Everyone knows they are black and red but, go wild, use your imagination!
