

"Bee My Honey"

Antenna Instructions:

- 1) Following the manufacturer's instructions, trace eight antenna dots onto the paper side of the fusible web. Roughly cut out each shape outside the drawn lines. Press the fusible web antenna templates to the back side of the black fabric.
- 2) Refer to the quilt photo for placement to press two antenna dots onto each bee square.
- 3) Using a fabric pencil, draw a curved line from the top of the bee head to the each antenna.
- 4) **OPTION #1-** Hand embroider the antenna line with pearl cotton and a tapestry needle using a backstitch.
OPTION #2- Use black thread and double wide stitch on you sewing machine to machine stitch over the drawn lines.
