

Fortune Teller

(Pattern Revisions)

- Updated Step 6 and added new Steps 7-8 to reflect updated illustrations.
- Combined original Steps 7-9 into new Step 9.

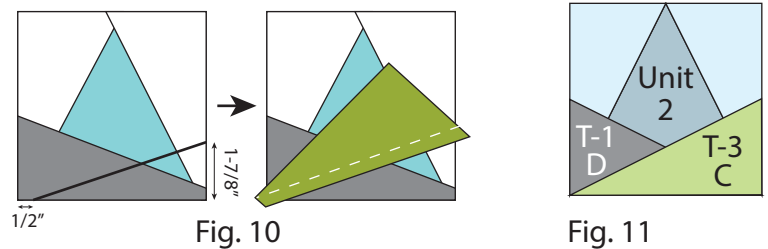

Block Assembly Instructions:

- 6.** On (1) Unit 2 square, measure up from the lower left corner $1\frac{7}{8}$ " and make a mark on the edge using a fabric pencil (Fig. 8). Measure in from the lower right corner $\frac{1}{2}$ " and make a mark on the edge. Using a ruler, draw a diagonal line between the two marks. Using the drawn line as a guide, place (1) Fabric D Template 1 triangle on the Unit 2 square, right sides together (Fig. 8). Sew the components together. Trim the excess fabric leaving a $\frac{1}{4}$ " seam and press the triangle open (Fig. 9).

- 7.** On the same Unit 2 square from Step 6, measure up from the lower right corner $1\frac{7}{8}$ " and make a mark on the edge using a fabric pencil (Fig. 10). Measure in from the lower left corner $\frac{1}{2}$ " and make a mark on the edge. Using a ruler, draw a diagonal line between the two marks. Using the drawn line as a guide, place (1) Fabric C Template 3 triangle on the Unit 2 square, right sides together (Fig. 10). Sew the components together. Trim the excess fabric leaving a $\frac{1}{4}$ " seam and press the triangle open to make (1) Unit 4 square (Fig. 11).

- 8.** Repeat Steps 6-7 to make (24) Unit 4 squares total.

- 9.** Repeat Steps 6-7 and refer to Figures 12-14 for component identification, placement and orientation to make (24) Unit 5 squares, (24) Unit 6 squares and (24) Unit 7 squares.
