

## Measure with String

Cut a small piece of string or thread from a spool.

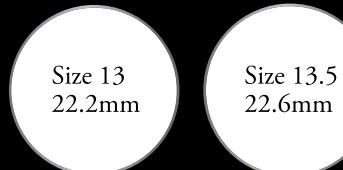

Fit: Wrap it snugly around your finger for an accurate measurement.

Measure: Compare your measurement with our sizing chart.

TIP: Be careful not to wrap the string too tight. Select a comfortable, snug fit.

Tip: For the most accurate size, have someone help you measure.

Double Check: Double-check for accuracy.

## Measure with Paper Tape

Print and carefully cut out the paper ring sizer shown below.

Cut along the outside lines of the image and create a slit in the 'Cut Slit' space

Slip the pointed end through the slit and place it around your finger.

Measure: Pull the pointed end so it slides to a snug fit.

Size: The arrow will point to your ring size.

TIP: Be careful not to wrap the string too tight. Select a comfortable, snug fit.

Tip: For the most accurate size, have someone help you measure.

Double Check: Double-check for accuracy.

## Measure with Another Ring

Print the chart of ring-size circles

Find a ring that you currently wear that feels comfortable.

Make sure you wear that ring on the finger you are shopping for.

Measure: Place the ring on top of each circle until you find a matching size.

Size: The match should perfectly fit the inside of the ring.

Double Check: Double-check for accuracy.
