Sponsorship Opportunity

It's that time of year again for the Annual Boca Fire Golf Tournament hosted by the Firefighters of Boca Raton to be held on Monday, June 3, 2024 at The Old Course at Broken Sound. The proceeds raised from past tournaments have been designated to help fund the John Wilson Scholarship and the Benevolent Community Assistance Fund.

The John Wilson Scholarship Fund is in memory of one of our fellow brothers John Wilson. John was a beloved member of our fire department, who had a passion for food and cooking. John was a classically trained chef who graduated from Johnson and Wales University in Rhode Island. John started his Fire Department career, after many years working in the hospitality sector who was executive chef and owner of his restaurant Savories located in Jupiter, Florida . He brought so many amazing recipes that still live on in our fire houses today. This scholarship will fully fund the process of EMT, Fire Academy and Paramedic school, as well as cooking classes for the chosen candidate.

The Benevolent Community Assistance Fund also provides funding for other various charitable programs and projects, such as the George Snow Scholarship Fund, Police Athletic League, Local Youth leagues, Children's Burn Foundation, Families in need, etc.

In order to continue funding these worthwhile endeavors, we are asking our local businesses to partner with us and consider our sponsorship opportunities, such as becoming a Tournament Sponsor, donating in-kind services or gift cards that can be used as raffle items and/or awards. We look forward to, and greatly appreciate your generous support.

Please contact our Tournament Sponsorship Coordinator, Warren Cann, at 561-445-8677 for assistance on our sponsorship opportunities.

Sincerely,

Alex Kennedy
