Hydra-Collagen Collection

Discover SBC Skincare's hero collection: Hydra-Collagen.

Marine Collagen has the unique ability to bind water, helping to maintain moisture levels, prevent dehydration, and reduce the appearance of fine lines - to reveal a more youthful complexion.

The iconic Hydra Collagen Moisturising Gel was the first of its kind and has been a core product used alongside mechanical anti ageing treatments throughout the professional beauty industry.

Aloe Vera Collection

SBC uses organic Aloe Vera - this historical ingredient contains an abundance of vitamins and enzymes which help to calm inflammation and offer immediate soothing benefits.

The vegan-friendly collection is designed for fragile skin prone to sensitivity. Instantly cools overheated skin and restores vital moisture levels, supporting repair and strengthening a compromised skin barrier.

Aloe Vera gel is a staple product in the professional treatment room. Applied to areas that have been exposed to heat; sunbeds, waxing, laser, IPL, electrolysis and treatments which irritate the skins barrier.
