Vinyl Pro

Catalog

"Your one stop shop for all your vinyl, leather, velour, carpet, detailing, windshield & headlight repair supplies."

About Us

For over 50 years we've been supplying products to repair vinyl and leather to professional repair technicians around the world. We also supply training manuals and DVDs, in house training, starter kits and much more!

If you are looking for a company that has everything you need and is knowledgeable and responsive - you have found it here at Vinyl Pro! We are fully capable of supplying both the professional repair technician and the beginner or hobbyist. If you have a project that you just don't think you can get done on you own, we can direct you to one of our many trade professional customers.

Our goal is to provide the best products available at a fair price with the best service in the industry. If we sell it, we stock it. If a product has replacement parts—we stock those as well. Over 97% of orders received by 3:00pm est. ship the same day. Have questions? We're here to help. Call us, email us or drop by. We'll do our best to take care of any questions or issues right away.

If you're in the professional repair business, think of us as your warehouse and tech support!

SEM Sure-Coat is a waterborne coating system that offers excellent flexibility and adhesion for a variety of interior automotive, marine, aerospace and commercial applications.

Sure-Coat allows the user to change or enhance the current color while maintaining the texture and look of leather, vinyl and plastic.

Available as a mixing system, Sure-Coat contains 9 toners and 3 clears that can be mixed to match almost any color and dries quickly when brushed or sprayed.

Comes in 4oz, 8oz, 16oz, 32oz, 64oz, 128oz

SEM Color Coat is formulated to match, restore or change color on most vinyl surfaces, flexible and rigid plastics, carpet and velour. Fade resistant and flexible, Color Coat is not a dye, but a permanent paint coating.

The Color Coat Mixing System contains 9 toners and 3 clears to offer limitless color combinations.

Comes in 8oz, 16oz, 32oz, 128oz

An On-The-Go Color Matching System

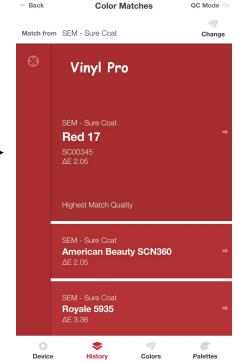

Contains:

- Color Reader Pro (\$250)
- SEM Custom Color Database (\$200)
- Formula Look-Up Program (\$100)

\$495

The Color Scanned

(10% Discount When You Buy the Whole System)

Three Closest Color Matches

For SEM Color Coat & Sure-Coat Coatings

Easy to Use:

- Scan any surface
- The Color Reader Pro sends the scanned color and the three closest color matches to your phone (iOS or Android)
- Type the color number into the Formula Look-Up Program to get the formula for any amount you choose. (can be used on Mac or Windows 10 Pro computers.)

Vinyl Pro
