

LAZY DAZE HAMMOCKS STEEL HAMMOCK STAND

ASSEMBLY INSTRUCTION

1. Place all the pieces on the floor or ground.
2. Locate crossbar and insert on end onto the horizontal end of the elbow pipe of one of the base by pressing down on the silver lock pin while pushing the crossbar onto the base. Repeat procedure for other base to the other end of the crossbar.
3. Locate either of the hammock frame bar. Place the non-capped end onto the upright elbow pipe of the base making sure the silver lock pin fully engages the hole on the pipe. Repeat the procedure for the other hammock frame bar.
4. **WARNING. Do not leave children unattended while on the hammock. Not to be used as a swing. Always enter your hammock in the middle. Do not sit past the base legs.**
5. **Inspect the hammock and frame regularly for deterioration or damage. Do not use if worn or damaged**
