REASON FOR RETURN or EXCHANGE:

Sale/clearance products sold ending in \$.95 or \$.97 are final sale items. No exchanges or returns will be allowed.

State health codes require that all swimwear must be tried on over full coverage underwear or it cannot be returned or exchanged. You may return or exchange any unused item within 30 days of the date on the receipt. All items must be in new condition, in original packaging with the tags attached and must be accompanied by a copy of your receipt/invoice and the completed Elsmore Return & Exchange Form. The customer is responsible for the return shipping costs.

We reserve the right to refuse merchandise that is not in new, original condition or merchandise that has been mistreated or damaged (including, but not limited to: items that have been used, items missing tags, items with fabric tears or damage, items that have been laundered, or items that have clearly been tried on without underwear).

Custom decorated items CANNOT be returned or exchanged.
This includes all items with team logos and personalized names added.
