Note: If you can't find the assembly video, please contact us.

We recommend using hand tools for assembly.

If an electric screwdriver is used, reduce power and torque to avoid damage to the product.

Install the Anti-Tip Straps

Using the anti-tip straps can reduce the risk of tipping over, but can not eliminate it.

Friendly Reminder: For easy installation of the desktop holes, please refrain from fully tightening all screws on the desktop initially.

First, screw them halfway in until all screws are attached into the desktop board. Then proceed to tighten all the screws evenly.
