CLEANING, STORAGE & SAFETY

1. Clean your massager before and after each use.

2. It is recommended that you clean your massager with a mild cleanser that is suitable for silicone and plastic items.

3. Do not expose the massager directly under the sunlight and extreme heat.

4. The massager is splash proof and safe to use in the shower. To avoid electric shock and damage to the massager, please check if the charging port is dry before charging it.

WARNINGS AGAINST MISUSE

- ✎ This massager is not intended for use by children or people with reduced physical, sensory or mental capabilities.
- ✎ External use only. Remove any loose clothing or jewelry before each use.
- ✎ Always unplug the massager from the outlet immediately after charging.
- ✎ Do not modify or dismantle the massager.
- ✎ To avoid electric shock or other potential damage to people and the massager, do not use charger near water or using an uncertified USB charger.
- ✎ Never use the product near a source of heat or while smoking.
- ✎ Do not leave the massager under a blanket or pillow. Keep all air openings free of lint, hair etc. Make sure not to operate under the condition where air openings may be blocked.
- ✎ If the massager overheats during use, the massager may automatically shut down for auto-protection.

WARRANTY

Warranty covers defects in workmanship or materials under normal usage and care for a period of 12 months from the date of purchase.

Original proof of purchase is required to obtain warranty services. Do not attempt to repair your massager yourself. For any warranty inquiries or return information, please contact your local sales site. For any APP operation suggestion, please email [**customerservice@vibcrafter.com**](mailto:customerservice@vibcrafter.com).

Vib Crafter is not responsible for loss or damage of returned products.

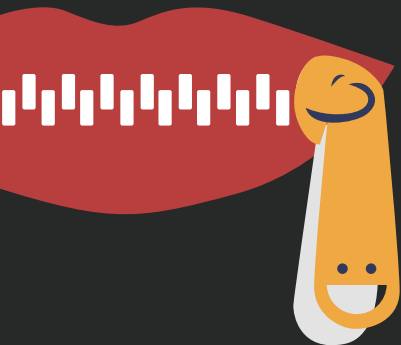

DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems):

The crossed-out dustbin symbol indicates that these items should not be treated as household waste, but rather brought to the appropriate collection point for recycling electrical and electronic equipment.

WARNINGS

This item is not to be used by people (including children) with reduced physical, sensory, or mental capabilities. Any person who is unable to operate this product by themselves should not use this product. Any person who is pregnant, has a pacemaker, suffers from diabetes, phlebitis and/or thrombosis, who has an increased risk of developing blood clots, as pins, screws or artificial joints or other implanted medical devices should consult a medical professional before using. Do not use on skin that is swollen, inflamed, blistered or broken. Do not use on head, face, chest, stomach or osseous body parts.

This is not a medical device. No medical claims are warranted or implied by the use of this product. Do not use around chest or throat. If you experience any discomfort during use, discontinue use immediately and consult your health care professional.

The appliance can be used only with the battery charger provided and must only be supplied at safety extra low voltage corresponding to the marking.
